## Above and Beyond

Conover Nursing and Rehab Center Employee of the Month for January is Jazzmann Rhinehardt. Jazzmann goes above and beyond everyday. She is a cook in the Dietary Department, but she serves in many roles here at Conover Nursing! We want to take this opportunity to shout her out! Thank you Jazzman for all your hard work! We appreciate everything you do here at Conover Nursing and Rehab Center!

Conover Nursing would like to acknowledge a few staff members for going above and beyond for our residents. All of our staff do a great job, but these are just a few things that stick out.

We would like to thank Andrea Brendle for her quick response to a patient who was choking on food during meal time. She performed the heimlick maneuver quickly and effectively. Way to be attentive and quick on your feet. Andrea!

Jenna Gilbert, a new nurse, performed her first successful IV without assistance. Way to go Jenna!

Special thanks to Kaylee Maynard, who has been such an encouragement, and working closely with new staff members. Way to be team player Kaylee!
